THE
RUSSETT
LEARNING
TRUST

Challenge for Achievement

Welcome to The Russett Learning Trust, a Multi Academy Trust established in 2015, working in partnership with schools across the North West.

Our Trust aspires to be the best MAT in the North West, serving the needs of children and young people including those with the most complex needs.

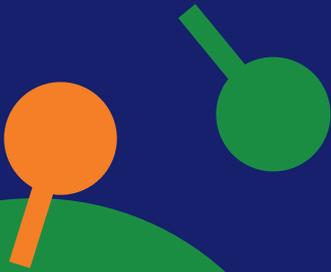

Our vision is to establish our schools at the heart of the community and to provide outstanding educational experiences for our learners by working together to provide a world class education.

The Department of Education approved The Russett Learning Trust as a sponsor in 2016. We are a trust with clear aims and core values to be the best. Our Trust is built on the bases of working together in partnership to ensure we challenge and achieve together.

The Russett Learning Trust is committed to being an outstanding Multi-Academy Trust, working in partnership with all our staff to ensure the best outcomes for all children and young people.

The Russett Learning Trust promotes the principle of 'supported autonomy' enabling all our educational establishments to work together in the journey to outstanding.

Working in partnership to nurture pupils and colleagues by sharing knowledge and expertise supported by a Trust wide infrastructure that is built on working together to challenge for achievement.

If a child can't
learn the way we
teach, maybe we
should teach the
way they learn
